My Story...

Dr Kelly Bofkin is delighted to be consulting from East Sydney Doctors. Born and bred in London, she trained as a surgeon in the UK before moving to Australia. She worked for many years in hospital-based Critical Care specialties (including Intensive Care and Emergency at St Vincent's Hospital) before becoming a General Practitioner.

Kelly has a wide variety of clinical interests as a result of her broad medical and surgical experience; she has particular interests in women's and children's health, sexual health (including HIV medicine), aviation medicine (she is a Designated Aviation Medical Examiner), healthcare in urban and marginalised populations, Clinical Governance/Quality improvement, procedural medicine and teaching.

Kelly ordinarily consults at East Sydney Doctors on Saturdays.
